

"Welcome to Therapy Matters, a leading centre for clinical excellence in speech pathology for over 25 years, where we strive to make a difference so our clients can flourish and lead happy, connected and communicative lives. Our team currently provide therapy that matters to over 350 children and young adults across the Gold Coast and Northern NSW. In order to help you become part of this community, the first step is to find out a bit more about you so we can match you and your child to the best therapist."

Tania Teitzel (Director & Principal Speech Pathologist)
